- Have experience in Christian camping and conferencing - would be highly regarded but not essential
- Have experience in high volume preparation and cooking
- Have experience in supervising and leading a team in a fast-paced environment
- Have strong teamwork, leadership and time management skills
- Have working knowledge of work, health and safety protocols
- Have a 'hands on management style' with a servant heart
- Have a valid Working with Children's Check
- Have a keen interest in youth ministry
- Have a current driver's licence

What you will be doing:

- Coordination and supervision of general food production and allocation of daily duties
- Assist in menu planning, food preparation, inventory and ordering
- Effective management of special diets
- Ensure efficient kitchen operations and staff management
- Ensure that work is done in accordance to safety standards
