Prior to that he spent 11 years working in Pakistan, largely in Theological Education. Mike is married to Sarah and they have 4 children (Joel, Nate, Pippa and Lauren). KEN DUNCAN

A Current Affair described Ken Duncan (OAM) as "*one of Australia's most iconic image makers*" and his work is applauded by arts and media professionals worldwide.

However, Ken prefers to think of himself as "*an average photographer with a great God*". He believes his abilities are a gift from the creator, and that his task is merely to capture and present the awesome splendour of the natural world for others to enjoy. The Vision Statement for the Ken Duncan Group of Companies is simple: "*To show the beauty of God's creation.*"

An Honorary Fellow of the Australian Institute of Professional Photography, in 2009 Ken received the photographic industry's highest honour – the Photo Imaging Council of Australia's Gold Tripod award.

David Willersdorf is a worship leader, songwriter and teacher. He has led people in worship from almost every Christian denomination. His songs have been recorded by Grammy and Dove award nominees alike, including Darlene Zschech and Bishop T. D. Jakes. David loves giving people any excuse to personally encounter the living Jesus Christ.
