## THE CONFERENCE

CHRISTIAN VENUES ASSOCIATION INVITES YOU to *Experience the Spirit of Sharing* as members, families and friends gather together to celebrate, learn, discuss, laugh and be inspired for effective ministry in Christian Camping.

## 2010 GUEST & SPEAKERS

Mike is the Principal of the Bible College of Victoria. Previously, he was Head of the Department of Mission at Moore College in Sydney. Prior to that he spent 11 years working in Pakistan, largely in Theological Education. Mike is married to Sarah and they have 4 children (Joel, Nate, Pippa and Lauren). To keep fit Mike likes to wrap his mind around cryptic crosswords, sudokus and Scandinavian thriller novels. He is the author of the 2004 Australian Christian Book of the Year, *Stirrings of the Soul*.

MIKE RAITER

David Willersdorf is a worship leader, songwriter and teacher. He has led people in worship from almost every Christian denomination. His songs have been recorded by Grammy and Dove award nominees alike, including Darlene Zschech and Bishop T. D. Jakes. David loves giving people any excuse to personally encounter the living Jesus Christ.

DAVID WILLERSDORF

Michael Frost is the Vice Principal of Morling College, and is the Director of Morling's Tinsley Institute. He regularly speaks at churches, schools and conferences around Australia, Asia, South America, Africa and the USA. He has written eight books, including *Eyes Wide Open* (1998) - Christian Book of the Year in 1999 - *The Shaping of Things to Come* (2003) co-authored with Alan Hirsch and most recently *ReJesus* (2008).

MICHAEL FROST

In 2002 Michael planted the missional community, "Small Boat, Big Sea" in Manly. He is married to Carolyn and they have three daughters, Courtney, Kendall and Fielding.

A Current Affair described Ken Duncan (OAM) as "one of Australia's most iconic image makers" and his work is applauded by arts and media professionals worldwide.

However, Ken prefers to think of himself as "an average photographer with a great God". He believes his abilities are a gift from the creator, and that his task is merely to capture and present the awesome splendour of the natural world for others to enjoy. The Vision Statement for the Ken Duncan Group of Companies is simple: "To show the beauty of God's creation."

An Honorary Fellow of the Australian Institute of Professional Photography, in 2009 Ken received the photographic industry's highest honour – the Photo Imaging Council of Australia's Gold Tripod award.
